washington, Aug. L-A tax of two | the size of expenditures for the army and cents on bank checks, a flat license tax of \$10 on all automobiles, irrespective secretary was understood to have estiof cost or horsepower, an increase of mated customs receipts for next year at
first class postage rates to three cents \$450,000,000 and miscellaneous receipts of \$10 on all automobiles, irrespective including salvage, at \$350,000,000. He was said to have figured that the \$19 tax on automobiles would bring in \$190,000,000 and that added levy on cigars, tobacco and cagarettes an additional \$25,000,000, but the estimate as to the hoome from the proposed tax an bank and an added levy on cigars, tobacco and carettes are understood to have been nong tax revision suggestions present-teday by Secretay Mellon to the house ways and means committee, meeting in executive session.
Other suggestions were said to have

A reduction of 50 per cent, in transportation taxes, both passenger and treight, next year and their elimination he wear following.

Reject of the paxes on soda fountain drinks and ice cream. Repeal of the excess profits tax and elimination of the \$2,000 exemption on

corporations incomes.
Increase of the normal income tax on corporations from the present 10 per count, to 15 per cent,
Elimination of the income surfax brackets above 40, per cent, with the

Surfax rates on incomes radging from \$5,000 to \$30,000 increased. The revenue bill as revised in accord with these migrestions would be designed to raise approximately four billions of dollars next year, it was said. Mr. Mei-lon's memorandum embodying his views was withheld, but Chairman Firdney

omised to make it public tomorrow. Representative Garner of Texas, the ranking democratic member of the comranking democratic member of the committee, attacked the treasury secretary's
proposals declaring that every one of
them constituted a "shifting of the tax
burden from the clarses to the masses."
Mr. Mellon was said to have estimated
government expenditures for the next
year at \$4.573.000,000, but Chairman
Fordney said this was dependent upon
how much of the \$500,000,000 due the
sailenges would have to be advanced out railroads would have to be advanced out of the federal treasury, the cost of operating the government merchant fleet and

HATFIELD'S TURBULENT LIFE ENDS IN TRAGIC DEATS

Welch, W. Va., Aug. 1.-Sid Hatfield's

According to persons near by, Hatfield with a party of friends approached the entrance to the courthouse just before

ness for the prosecution in the trial con-ducted in connection with the death of Albert C. Felts, director of the band of private detectives which had been sent to Matawan for the purpose of evicting miners' families from the houses of z coal company. This trial was the resul of a street battle in the West Virginia mining town one year ago last May 13.

Although only 26 years old, Hatfield's name was known to almost every West. The crowd again and again demanded to hear Vice President and Mr. Coelidge also was escorted by the president to the speaker's place. He remarked that he, by too, spoke here last December and said he had nothing to add to the president's words foday or to his cwn references at that time to the meaning of the pilgrims to this country.

Again the exercises were called to a close, but the crowd would not have it. They clamored for the appearance of General Edwards. The general came forward and said it gave him much pleasure to be here because some months ago the was neither a prophet nor the country to be a prophet nor the country to be a prophet nor the country to be a prophet nor the country to the same committee appointed to investigate the industrial conditions in the Mingo coal fields.

As a result of the difficulty of obtaining a house quorum, with so many members eager to get away for the dog days. Mr. Kissell proposed that salaries be doubled with heavy daily fines for send to show up for a double daily roll call—at the start, and close of every session. The man absent without leave for one day of a legislative week would lose his week's off the start, and close of every session.
